

ZEFIRA

Zefira ripropone la linea sferica in terracotta ma dalle dimensioni ridotte. La sua portabilità, consente di essere spostata da una stanza ad un'altra o da un edificio all'altro, senza vincoli di installazione. Il sistema omnidirezionale rappresenta una soluzione all in one che offre massima mobilità, autonomia e dinamicità.

Zefira is the portable solution characterized by the perfect integration of two elements of terracotta, the sphere and the cone. Zefira can be moved either from one room to another or from one building to another, without any restriction for installation. An aesthetic design for an all in one solution able to provide full mobility, independence and dynamism.

SOUND OUTPUT

Frequency Response

120 Hz - 21.000 Hz (+/- 3dB)

Sensitivity

89,5 dB / 2,83 V / 1m

Nominal Impedance

8 Ohm

Output Power

60 W

Rated Output Power (AES)

30W

SPECIFICATIONS

Speaker Enclosure Material

Terracotta

Connectivity

Bluetooth 4.0

Compatibility

Android, IOS, Windows and no app required

Power Supply

Lithium battery

Battery life

Up to 24 hours

Battery Charging

100 - 240 V external power supply
